Second call for proposals - Extension of the deadline for submission -

23 June 2016

Following a technical problem that made the web-based electronic monitoring system (eMS) for the submission of project proposals partially unavailable, the deadline for submission has been extended.

Accordingly, § 14. of the “Announcement of the second call for proposals” is revised as follows:

14. DEADLINE FOR SUBMISSION

Project proposals must be submitted through the eMS **at the latest by Friday 24 June 2016 at 13:00 CET.**

Any other part of the “Announcement of the second call for proposals” as well as any other term and condition for submission of project proposals within the Interreg CENTRAL EUROPE second call for proposals - as provided for in the application package for the second call - remain unchanged.
